ABOUT SPEAKERS

Dr. Parthiban Srinivasan

Visiting Faculty (DS & Engg) at IISER, Bhopal

05 February
10:30 - 12:30
Auditorium, VIT Bhopal

With over 15 years in innovation, research, and development, Dr. Parthiban led as CEO at Parthys Reverse Informatics, Director at GVKBIO, and more. A biotechnology and life sciences expert from the IISc, he has gained research experience in organizations such as NASA Armes and AstraZeneca.

In his session, Dr. Parthiban will engage with participants, offering insights on securing a job in the AI domain & how to gain expertise in Generative AI and NLP.

Team Sarvagya

Winners of Smart India Hackathon-2023

06 February
10:30 - 12:30
Auditorium, VIT Bhopal

This lot of 5 VITians crafted a chatbot emulating 'Chacha Chaudhary', NMCG's mascot, deploying a FAQ kiosk web-app and a telegram bot for educational modules on Indian rivers, which made them victors of the Smart India Hackathon 2023, securing a cash prize of INR 1 Lakh

This session is meant to act as a precursor for anyone that wants to build their own AI-based product, as one needs to understand how to identify problems and find solutions before they can come up with a strategy to sell it, and who better than these guys to explain the same!

Mr. Syed Aadil Husain

CEO & Co-founder at TechnoTask Pvt Ltd, Bhopal

06 February
14:00 - 16:00
Auditorium, VIT Bhopal

Mr. Syed Aadil Husain, Co-Founder and CEO at his AI-based startup TechnoTask, that has achieved a phenomenal 400% growth in the first year since launch, generating millions in sales. With 17 years of sales expertise, he has partnered with industry giants like Swiggy and Meesho. He excels in business development and team management.

In this session, Mr. Hussain will guide participants on leveraging solutions for product development, marketing strategies, and scalability, providing invaluable insights for future success.

ABOUT SPEAKERS

Mr. Eeman Majumdar

Data science engineer at Deloitte
